### Description

Let's be honest—nobody has more fun than atheists. Don't believe it? Well, consider this: For nonbelievers, every day you're alive is a day to celebrate! And no one celebrates life to the fullest like Penn Jillette—the larger, louder half of legendary magic duo Penn & Teller—whose spectacularly witty and sharply observant essays in *Every Day Is an Atheist Holiday!* will entertain zealots and skeptics alike. Whether he's contemplating the possibility of life after death, deconstructing popular Christmas carols, or just calling bullsh\*t on Donald Trump's apprentice training, Jillette does not fail to shock and delight his readers. And as ever, underneath these rollicking rants lie a deeply personal philosophy and a generous spirit, which find joy and meaning in family, and peace in the simple beauty of the everyday. *Every Day Is an Atheist Holiday!* is a hysterical affirmation of life's magic from one of the most distinctly perceptive and provocative humorists writing today.
