Description

Why are atheists angry? Is it because they're selfish, joyless, lacking in meaning, and alienated from God? Or is it because they have legitimate reasons to be angry--and are ready to do something about it? Armed with passionate outrage, absurdist humor, and calm intelligence, popular blogger Greta Christina makes a powerful case for outspoken atheist activism, and explains the empathy and justice that drive it. This accessible, personal, down-to-earth book speaks not only to atheists, but also to believers who want to understand the so-called new atheism. Why Are You Atheists So Angry? drops a bombshell on the destructive force of religious faith—and gives a voice to millions of angry atheists.
